DIVOC

EXECUTIVE TRANSPORT
EL PASO TX - JUAREZ

DIVOC EXECUTIVE TRANSPORT

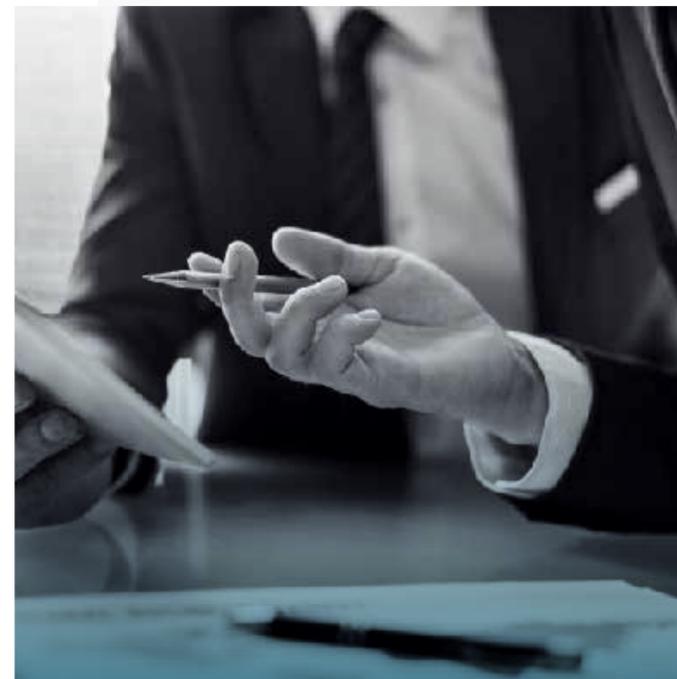

We are a company based in Ciudad Juarez, Chihuahua, specialize in providing high-level executive transportation solutions for businesses, executives, corporate clients, and individuals requiring safe, efficient, and reliable transfers between El Paso, Texas, USA and Ciudad Juarez, Mexico.

Our company was founded with the purpose of meeting the growing mobility needs of the border region, one of the most dynamic industrial and commercial zones in the country, where punctuality, safety and quality of service are critical factors for the daily operation of companies and the performance of their executives.

WHO
WE ARE

We provide safe, efficient, and high-level executive transportation solutions, facilitating binational mobility for our clients and contributing to our region's business development.

OUR SERVICES

We offer high-quality executive transportation service between El Paso, Texas and Ciudad Juárez.

With access to SENTRI and Global Entry lanes for expedited border crossings (restrictions apply).

We provide excellent service to the following sectors and events:

- Maquiladoras Companies
- Groups and Conventions
- Social Events
- Medical Tourism
- Transportation between El Paso Tx and Ciudad Juarez

Trust us to provide a punctual, safe service with the personalized attention that your team and your guests deserve.

Your experience is our commitment.

BENEFITS FOR MAQUILADORA COMPANIES

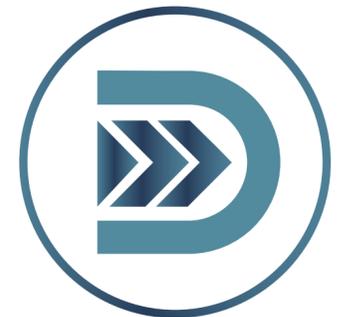

- Reduction of incidents and delays
- Service control and traceability
- Menor rotación de proveedores
- Lower supplier turnover
- Corporate image in front of visitors and executives

PROVEN EXPERIENCE IN THE JUÁREZ-EL PASO REGION

- Guaranteed punctuality
- Professional corporate image
- Comprehensive security
- Time optimization
- Reduction of logistics costs
- Premium user experience
- Personalized attention
- Confidentiality
- Strategic planning

DIVOC not only provides transportation, it facilitates executive mobility solutions

RESPONSIBILITY

We train our staff to be perfect ambassadors for our community, always acting with ethics, moral responsibility, and social commitment.

We provide quality service that guarantees a memorable experience for every visitor/customer.

EXCELLENCE

DISTINCTION

CLASS

QUALITY

At **Divoc Executive Transportation**, the passenger experience is our top priority. We ensure every trip is flawless by taking care of every detail: from the professional appearance of our uniformed operators to vehicles in optimal condition, a clean and pleasant environment.

MISION

To be the leading binational executive transportation company in northern Mexico, recognized for its operational excellence, trust and quality of service.

SERVICE PROTOCOL

SERVICE REQUIREMENTS

Via email (primary),
WhatsApp (secondary).

SERVICE QUOTE

A service quote is sent
and an appointment is scheduled.

SERVICE AGENDA

- Service is scheduled via calendar.
- An invitation and confirmation are sent to the client via email.
- A chat group is created on WhatsApp.
- The client, manager, coordinator, and/or driver are added to this chat.

SECURITY

AT EVERY STEP ALONG THE WAY

The safety of our passengers is our priority.

In **DIVOC** we implemented an operating system that protects every transfer with technology and clear protocols.

GPS monitoring in all vehicles, with real-time location tracking

Constant communication via high-frequency radios and corporate cell phones.

Total control of movements: the driver reports each step of the service and only previously authorized routes are followed.

Ongoing training in safety protocols, incident prevention, and emergency response.

With Divoc, every transfer is carried out with responsibility, preparation and control.

Active operational supervision and immediate support in the event of any unforeseen circumstances.

OUR OPERATING PROCESS

**01. RECEPTION
OF THE SERVICE**

**02. DRIVER AND
UNIT ASSIGNMENT**

**03. CONFIRMACIÓN
WITH THE CUSTOMER**
